American Pie

A long, long time
ago...I can still
remember
How that music used to make me
smile.And I knew if I had my chance
That I could make those people dance
And, maybe, they'd be happy for a while.

But february made me
shiverWith every paper I'd
deliver. Bad news on the
doorstep;
I couldn't take one more step.

I can't remember if I cried
When I read about his widowed bride,
But something touched me deep
insideThe day the music died.

So bye-bye, miss american
pie.Drove my chevy to the
levee, But the levee was dry.
And them good old boys were drinkin' whiskey and rye
Singin', "this'll be the day that I die."
"this'll be the day that I die."

Did you write the book of love,

And do you have faith in God
above, If the Bible tells you so?
Do you believe in rock 'n roll,
Can music save your mortal soul,
And can you teach me how to dance real slow?

Well, I know that you're in love with him
'cause I saw you dancin' in the gym. You
both kicked off your shoes.
Man, I dig those rhythm and blues.

I was a lonely teenage broncin' buck
With a pink carnation and a pickup
truck, But I knew I was out of luck
The day the music died.

I started singin',
"bye-bye, miss american
pie." Drove my chevy to the
levee, But the levee was dry.
Them good old boys were drinkin' whiskey and
rye And singin', "this'll be the day that I die.
"this'll be the day that I die."

Now for ten years we've been on our
own And moss grows fat on a rollin' stone,
But that's not how it used to be.
When the jester sang for the king and
queen, In a coat he borrowed from james
dean

And a voice that came from you and me,

Oh, and while the king was looking
down, The jester stole his thorny crown.
The courtroom was
adjourned; No verdict was
returned.

And while lennon read a book of
marx, The quartet practiced in the
park,
And we sang dirges in the
dark The day the music died.

We were singing,
"bye-bye, miss american pie."...

Helter skelter in a summer swelter.
The birds flew off with a fallout
shelter, Eight miles high and falling
fast.
It landed foul on the grass.
The players tried for a forward pass,
With the jester on the sidelines in a cast.

Now the half-time air was sweet perfume
While the sergeants played a marching
tune. We all got up to dance,
Oh, but we never got the chance!

`cause the players tried to take the
field;The marching band refused to
yield.

Do you recall what was
revealedThe day the music
died?

We started singing,
"bye-bye, miss american
pie." Drove my chevy to the
levee, But the levee was dry.
Them good old boys were drinkin' whiskey and
ryeAnd singin', "this'll be the day that I die.
"this'll be the day that I die."

Oh, and there we were all in one
place,A generation lost in space
With no time left to start again.
So come on: jack be nimble, jack be
quick!Jack flash sat on a candlestick
Cause fire is the devil's only friend.

Oh, and as I watched him on the stage
My hands were clenched in fists of
rage.No angel born in hell
Could break that satan's spell.
And as the flames climbed high into the
nightTo light the sacrificial rite,
I saw satan laughing with
delightThe day the music died

He was singing,
"bye-bye, miss american pie."...

I met a girl who sang the blues
And I asked her for some happy
news, But she just smiled and turned
away.
I went down to the sacred store
Where I'd heard the music years before,
But the man there said the music wouldn't play.

And in the streets: the children
screamed, The lovers cried, and the poets
dreamed. But not a word was spoken;
The church bells all were broken.
And the three men I admire most:
The father, son, and the holy ghost,
They caught the last train for the
coast The day the music died.

And they were singing,
"bye-bye, miss american pie."..... x 2

Bad Moon Rising

I see the bad moon
rising. I see trouble on the
way.

I see earthquakes and
lightnin'. I see bad times today.

Don't go around tonight
Well it's bound to take your life
There's a bad moon on the rise.

I hear hurricanes a blowing.
I know the end is coming
soon. I fear rivers over flowing.
I hear the voice of rage and ruin.

Don't go around tonight
Well it's bound to take your life
There's a bad moon on the
rise. All right!

Hope you got your things together.
Hope you are quite prepared to die.
Looks like we're in for nasty
weather. One eye is taken for an eye.

The Best of my Love

C

Every night, I'm lying in bed, holding you close in
mydreams

Thinking about all the things that we said, and
coming apart at the seams

We try to talk it over, but the words come out too
rough

I know you were trying to give me the best of your
love

Beautiful faces, and loud empty places, look at the
way that we live

Wasting our time on cheap talk and wine, left us so
little to give

That same old crowd was like a cold dark cloud that
we could never rise above

But here in my heart, I give you the best of my love

**Oh-oh-oh ohhhh, sweet darlin', you get the best
of my love x 2**

I'm going back in time and it's a sweet thing

It was a quiet night and I would be all right if I could
go on sleeping

But every morning I wake up and worry, what's
gonnahappen today?

You see it your way, and I see it mine, but we both see
itslipping away

You know we always had each other baby, I guess
thatwasn't enough; o-o-ohh

But here in my heart, I give you the best of my love

Oh-oh-oh ohhhh, sweet darlin', you get the best of
mylove x X

Candle in the Wind

Key E

Goodbye Norma Jean
Though I never knew you at all
You had the grace to hold yourself
While those around you crawled
They crawled out of the
woodwork And they whispered into
your brain They set you on the
treadmill
And they made you change your name

Chorus

**And it seems to me you lived your
life Like a candle in the wind
Never knowing who to cling
to When the rain set in
And I would have liked to have known
you But I was just a kid
Your candle burned out long
before Your legend ever did**

Loneliness was tough
The toughest role you ever
played Hollywood created a
superstar

And pain was the price you
paidEven when you died
Oh the press still hounded
youAll the papers had to say
Was that Marilyn was found in the

Almost heaven, west virginia
Blue ridge mountains, shenandoah
riverLife is old there, older than the
trees
Younger than the mountains, blowing like a breeze

Country roads, take me

All my mem'ries, gather 'round her Miner's lady,
stranger to blue waterDark and dusty, painted on the

Misty taste of moonshine, teardrop in my eye
Country roads, take me

I hear her voice, in the mornin' hours she calls to
meThe radio reminds me of my home far a-way
And drivin' down the road I get a feeling'

That I should have been home yesterday, yesterday

Fall at Your Feet

Bm

Bm D

I'm really close tonight

Dbm

F#

And I feel like I'm moving inside her

Lying in the dark

And I think that I'm beginning to know her

Let it go

I'll be there when you call

And whenever I fall at your feet

You let your tears rain down on me

Whenever I touch your slow turning pain

You're hiding from me now

There's something in the way that you're talking

Words don't sound right

But I hear them all moving inside you, go

I'll be waiting when you call

Hey and whenever I fall at your feet Won't you let your tears rain down
on me Whenever I touch your slow turning pain

The finger of blame has turned upon itself And I'm more than willing to
offer myself Do you want my presence or need my help Who knows
where that might lead
I fall

Whenever I fall at your feet

Would you let your tears rain down on me Whenever I fall, ever I fall

Feelin' Alright

Seems I got to have a change of scene

Cause every night I have the strangest dreams
Imprisoned by the way it used to be
Left here on my own or so it seems

I got to leave before I start to scream
But someone's locked the door and took the key

Feelin' alright
Not feelin' too good myself
Feelin' alright
Not feelin' too good myself

Boy you sure took me for one big ride
Even now I sit and wonder why
And when I think of you I start to cry
Got to stop belivin' in all your lies
Cause I got to much to do before I die

Before someone comes along and takesmy place
With a different name and yes a different face

G A Bm
As we walk in fields of gold

So she took her love for to gaze awhile
Upon the fields of barley
In his arms she fell as her hair come down
Among the fields of gold

Will you stay with me will you be my love
Among the fields of barley
We'll forget the sun in his jealous sky
As we lie in fields of gold

See the west wind move like a lover so
Upon the fields of barley
Feel her body rise when you kiss her mouth
Among the fields of gold

I never made promises lightly

And there have been some that I've broken

But I swear in the days still left

We'll walk in fields of gold

We'll walk in fields of gold

Many years have passed since those summer days

Among the fields of barley

See the children run as the sun goes down

Among the fields of gold

You'll remember me when the west wind moves

Upon the fields of barley

You can tell the sun in his jealous sky

When we walked in fields of gold

When we walked in fields of gold

When we walked in fields of gold

Holy Grail (E)

Woke up this morning from the strangest dream
I was in the biggest army the world has ever
seen

We were marching as one
On the road to the holy grail

Started out seeking fortune and glory
Its a short song but it's a hell of a story
When you spend your lifetime trying to get
your hands
On the holy grail

Well have you heard about the great
crusade
We ran into millions, but nobody got paid
Yeah we raised four corners of the globe
For the holy grail

All the locals scattered, they were hiding in the
snow

We were so far from home, so how were we to
know

There be nothing left to plunder
When we stumble on the holy
grail
We were full of beans
But we were dying like flies
And those big black birds, they were circling in
the sky
And you know what they say, yeah,
nobody deserves to die

You know I, i been searching for an easy
way
To escape this cold light of day
I been high and I been low
But got I nowhere else to
go
Theres nowhere else to go
And i followed orders
God knows where i've been
But i woke up alone
All my wounds were
cleanIm still here
Im still a fool for the holy grail
oh yeah im a fool for the holy grail

Hotel California

On a dark desert highway, cool wind in my
hair Warm smell of colitas, rising up through
the air
Up ahead in the distance, I saw a shimmering light
My head grew heavy and my sight grew dim
I had to stop for the night
There she stood in the doorway;
I heard the mission bell
And I was thinking to myself,
"This could be Heaven or this could be Hell"
Then she lit up a candle and she showed me the way
There were voices down the
corridor, I thought I heard them
say...

Her mind is Tiffany-twisted, she got the Mercedes

She got a lot of pretty, pretty boys she calls friends
How they dance in the courtyard, sweet summer
sweat.

Some dance to remember, some dance to forget

So I called up the
Captain, "Please bring me
my wine"

He said, "We haven't had that spirit here since 1969"
And still those voices are calling from far away, Wake
you up in the middle of the night
Just to hear them say...

Welcome to the Hotel California
Such a lovely place (Such a lovely place)
Such a lovely face

They livin' it up at the Hotel California
What a nice surprise (what a nice
surprise) Bring your alibis

Mirrors on the ceiling,
The pink champagne on ice
And she said "We are all just prisoners here, of our
own device"

And in the master's chambers,
They gathered for the feast
They stab it with their steely knives,
But they just can't kill the beast

Last thing I remember, I was
Running for the door
I had to find the passage back
To the place I was before
"Relax," said the night man,
"We are programmed to receive.
You can check-out any time you like,
But you can never leave! "

Moondance

Well it's a marvelous night for a moondance
With the stars up above in your eyes
A fantabulous night to make romance'neath the color of
October skies.
And all the leaves on the trees are falling To the sound
of the breezes that blow And I'm trying to please to the
calling
Of your heartstrings that play soft and low.

And all the nights magic, seems to whisper and hush,
And all the soft moonlight, seem to shine-In your blush
Can I just have one more moondance with you-my
love?
Can I just make some more romance with you-my love?

Well I wanna make love to you tonight, I can't wait till
the morning has come And I know now the time is just
right, and straight into my arms you will run.
And when you come my heart will be waiting,
to make sure that you're never alone
There and then all my dreams will come true dear,
There and then I will make you my own.

Knocking On Heaven's Door

Mama take this badge from me I can't use it
anymore

It's getting dark too dark to see
Feels like I'm knockin' on heaven's door

Knock-knock-knockin' on heaven's door
Knock-knock-knockin' on heaven's door
Knock-knock-knockin' on heaven's door
Knock-knock-knockin' on heaven's door

Mama put my guns in the ground I can't shoot
them anymore
That cold black cloud is comin' down
Feels like I'm knockin' on heaven's door

Knock-knock-knockin' on heaven's door
Knock-knock-knockin' on heaven's door

More Than Words

Saying I love you

Is not the words I want to hear from you It's not that I want you

Not to say, but if you only knew

How easy it would be to show me how you feel

More than words is all you have to do to make it real

Then you wouldn't have to say that you love me

'Cause I'd already know

What would you do if my heart was torn in two

More than words to show you feel That your love for me is real

What would you say if I took those words away

Then you couldn't make things new Just by saying I love you

More than words

Now that I've tried to talk to you and make you understand

All you have to do is close your eyes

And just reach out your hands and touch me
Hold me close **don't ever let me go**

More than words is all I ever needed you to show
Then you wouldn't have to say that you love me
'Cause I'd already know

What would you do if my heart was torn in two
More than words to show you feel
That your love for me is real
What would you say if I took those words away
Then you couldn't make things new
Just by saying I love you
More than words

My Girl

I got sunshine, on a cloudy day.
When it's cold outside, I've got the month of May.
I guess you'd say
what can make me feel this way

my girl
talkin about my

I got so much honey, the bees envy me.
I got a sweeter song, than the birds in the trees.
Well, I guess you'd say
what can make me feel this way

I don't need no
money,fortune or
fame.
I got all the riches
babyone man can

Piano Man

It's nine o'clock on a saturday Regular crowd shuffles in
There's an old man sittin' next to me Makin' love to his tonic and gin

He says: "Son can you play me a memory?"
I'm not really sure how it goes
But it's sad and it's sweet and I knew it complete
When I wore a younger man's clothes
La-la-la de-de da
La-la de-de da da-da

Sing us a song you're the piano man Sing us a song tonight
Well we're all in the mood for a melody And you've got us feelin'
alright

Now John at the bar is a friend of mine
He gets me my drinks for free
And he's quick with a joke or to light up your smoke
But there's someplace that he'd rather be

He says Bill I believe this is killing me
As a smile ran away from his face
Well I'm sure that I could be a movie star
If I could get out of this place
Oh, la-la-la de-de da
La-la de-de da da-da

Now Paul is a real estate novelist
Who never had time for a wife
And he's talkin' with Davy who's still in the navy
And probably will be for life

And the waitress is practicing politics
As the businessmen slowly get stoned
Yes they're sharing a drink they call loneliness
But it's better than drinkin' alone

Sing us the song you're the piano man
Sing us a song tonight
Well we're all in the mood for a melody
And you've got us feelin' alright

It's a pretty good crowd for a saturday
And the manager gives me a smile
'Cause he knows that it's me they've been comin' to see
To forget about life for a while

And the piano it sounds like a carnival
And the microphone smells like a beer
And they sit at the bar and put bread in my jar
And say man what are you doin' here?
Oh, la-la-la de-de da
La-la de-de da da-da

Sing us the song you're the piano man
Sing us a song tonight
Well we're all in the mood for a melody
And you've got us feelin' alright

Pina Colada Song

I was tired of my lady
We'd been together too
longLike a worn-out
recording Of a favorite
song
So while she lay there
sleepingI read the paper in bed
And in the personal
columnsThere was this letter
I read

"If you like Pina Coladas
And getting caught in the
rainIf you're not into yoga
If you have half a brain
If you'd like making love at
midnightIn the dunes on the Cape
Then I'm the love that you've looked
forWrite to me and escape."

I didn't think about my lady
I know that sounds kind of
meanBut me and my old lady
Have fallen into the same old dull
routineSo I wrote to the paper
Took out a personal ad
And though I'm nobody's
poetI thought it wasn't half
bad

"Yes I like Pina Coladas
And getting caught in the
rainI'm not much into health
foodI am into champagne
I've got to meet you by tomorrow
noonAnd cut through all this red-tape
At a bar called O'Malley's
Where we'll plan our escape."

So I waited with high
hopesAnd she walked in the
place

I knew her smile in an
instant I knew the curve of
her face It was my own
lovely lady And she said,
"Oh it's you."
Then we laughed for a
moment And I said, "I never
knew."

That you like Pina Coladas
Getting caught in the rain
And the feel of the ocean
And the taste of champagne
If you'd like making love at
midnight In the dunes of the Cape
You're the lady I've looked
for Come with me and escape

repeat chorus twice and fade out

Throw Your Arms Around me

I will come for you at night time
I will raise you from your sleep
I will kiss you in four places
As I go running along your street
I will squeeze the life out of you
You will make me laugh and make me cry
We will never forget it
You will make me call your name and I'll shout it to the blue summer sky

**We may never meet again
So shed your skin and lets get started
And you will throw your arms around me**

inst

I dreamed of you at night time
And I watched you in your sleep
I met you in high places
I touched your head and touched your feet

So if you disappear out of view
You know, I will never say goodbye
Though I try to forget it
You will make me call your name and I'll shout it to the blue summer sky

We may never meet again
So shed your skin and lets get started And you will throw your arms around me
Yeah you will throw you arms around me

you will throw you arms around me x X

Time of Your Life (G)

Another turning point, a fork stuck in the road Time
grabs you by the wrist, directs you where to go So make
the best of this test, and don't ask why
It's not a question, but a lesson learned in time

It's something unpredictable, but in the end it's right. I
hope you had the time of your life.

So take the photographs, and still frames in your
mind

Hang it on a shelf in good health and good time
Tattoos of memories and dead skin on trial
For what it's worth it was worth all the while

It's something unpredictable, but in the end it's right. I
hope you had the time of your life.

True Blue (G)

Hey, true blue Don't say you've gone
Say you've knocked off for a smoko And you'll be back later on Hey,
true blue

Hey, true blue
Give it to me straight, face to face Are you really disappearing
Just another dying race Hey, true blue

True blue, is it me and you?
Is it mum and dad, is it a cockatoo? Is it standing by your mate?
When he's in a fight or just Vegemite
True blue, I'm asking you

Hey, true blue
Can you bear the load? Will you tie it up with wire
Just to keep the show on the road? Hey, true blue

Hey, true blue
Now be fair dinkum, is your heart still there?
If they sell us out like sponge cake, do you really care?
Hey, true blue

True blue, is it me and you?
Is it mum and dad, is it a cockatoo? Is it standin' by your mate?

When she's in a fight or just Vegemite
True blue, I'm asking you

True blue, is it me and you?
Is it mum and dad, is it a cockatoo? Is it standin' by your mate?
When he's in a fight or just Vegemite True blue, true blue

Waiting for the world to Change

Me and all my friends
We're all misunderstood
They say we stand for nothing and
There's no way we ever could

Now we see everything that's going wrong
With the world and those who lead it
We just feel like we don't have the
meansTo rise above and beat it

So we keep waiting
Waiting on the world to change
We keep on waiting
Waiting on the world to change

It's hard to beat the system
When we're standing at a distance
So we keep waiting
Waiting on the world to change

Now if we had the power
To bring our neighbors home from war
They would have never missed a
ChristmasNo more ribbons on their door
And when you trust your television
What you get is what you got

Cause when they own the information, oh
They can bend it all they want

Chorus

It's not that we don't care,
We just know that the fight ain't
fairSo we keep on waiting
Waiting on the world to change

And we're still waiting
Waiting on the world to change
We keep on waiting waiting on the world to change
One day our generation
Is gonna rule the
populationSo we keep on
waiting
Waiting on the world to change

We keep on waiting
Waiting on the world to change

You Don't Treat Me No Good No More

Well the truth, well it hurts to say
I'm gonna pack up my bags and I'm gonna go
away I'm gonna split, I can't stand it
I'm gonna give it up and quit and aint never coming back

Girl but before I get ta going, I've got to say,
I know you used to love me but that was
yesterday, And the truth, I won't fight it,
When the love stops burning you got to do what's right.

Woh-oh lover lover lover, you don't treat me no good
nomore,
Woh-oh, woh-oh lover, lover lover, you don't treat me
nogood no more,

Well the truth, yeah it hurts to say,
I'm gonna pack up my bags and I'm gonna go
away, I'm gonna split, I can't stand it,
I'm gonna give it up and quit and aint never coming back

Girl but before I get ta going, I've got to say
I know you used to love me but that was
yesterday, And the truth, I won't fight it,
When the love stops burning you got to do what's

right, But before I get ta going, I've got to say,

There was a time, oh woman, when you used to shake
it for me,

But now, all you do is just treat me cold,
Ain't gonna take it no more, gonna walk out the door,

Woh-oh lover lover lover you don't treat me no good no
more,

No good no more more more more

Lover lover lover you don't treat me good no
more, Yeah yeah yeah yeah

Lover lover lover you don't treat me no good no
more (repeated in unison with rest of song and to
end)

Well I'd wait up for you almost every night
And I'm hurting so bad cos you don't treat me
right O woman, o woman you know I love you so
But you're so mean to me baby, I'm walking out the
door, Oh lover, oh lover, yeah-yeah

Sweet Child of Mine (G)

She's got a smile it seems to me
Reminds me of childhood
memories Where everything
Was as fresh as the bright blue sky

Now and then when I see her face
She takes me away to that special
place And if I'd stare too long
I'd probably break down and cry

Oh, oh, oh
Sweet child o'
mine Oh, oh, oh, oh
Sweet love of mine

She's got eyes of the bluest
skies As if they thought of rain
I hate to look into those
eyes And see an ounce of
pain
Her hair reminds me of a warm safe
place Where as a child I'd hide
And pray for the
thunder And the rain
To quietly pass me by

Seven years of bad luck, the good things in your past

Shape of You (C#m)

The club isn't the best place to find a lover
So the bar is where I go

Me and my friends at the table doing shots
Drinking fast and then we talk slow

Come over and start up a conversation with just me
And trust me I'll give it a chance now

Take my hand, stop, put Van the Man on the jukebox
And then we start to dance, and now I'm singing like

***Girl, you know I want your love
Your love was handmade for somebody like me
Come on now, follow my lead
I may be crazy, don't mind me Say,
boy, let's not talk too much
Grab on my waist and put that body on me
Come on now, follow my lead
Come, come on now, follow my lead***

**I'm in love with the shape of you
We push and pull like a magnet do
Although my heart is falling too
I'm in love with your body
And last night you were in my room
And now my bedsheets smell like you
Every day discovering something brand new
I'm in love with your body**

**Oh—I—oh—I—oh—I—oh—I I'm in love with your body
Oh—I—oh—I—oh—I—oh—I I'm in love with your body
Oh—I—oh—I—oh—I—oh—I I'm in love with your body
Every day discovering something brand new
I'm in love with the shape of you**

**One week in we let the story begin
We're going out on our first date**

**You and me are thrifty, so go all you can eat fill up your bag
and I fill up a plate**

**We talk for hours and hours about the sweet and the sour And
how your family is doing okay**

**Leave and get in a taxi, then kiss in the backseat - Tell the
driver make the radio play, and I'm singing like**

Loving can hurt, loving can hurt sometimes
B A
But it's the only thing that I know
When it gets hard, you know it can get hard
sometimes It is the only thing makes us feel alive

C#m A
We keep this love in a photograph
E B
We made these memories for ourselves
Where our eyes are never closing
Hearts are never broken
And time's forever frozen still

E
So you can keep me
B
Inside the pocket of your ripped jeans
C#m
Holding me closer 'til our eyes meet
A E
You won't ever be alone, wait for me to come home

Loving can heal, loving can mend your
soul And it's the only thing that I know, know
I swear it will get easier
Remember that with every piece of you
Hm, and it's the only thing we take with us when we
die.....we keep this love in this photograph

Oh, you can fit me
Inside the necklace you got when you were
sixteen
Next to your heartbeat where I should be
Keep it deep within your soul

And if you hurt me
Well, that's okay baby, only words
bleed
Inside these pages you just hold
me
And I won't ever let you go

When I'm away, I will remember how you kissed
me
Under the lamppost
back on Sixth street
Hearing you whisper through the
phone "Wait for me to come home" (no
chord)

Rolling in the Deep (A) (11)

There's a fire starting in my heart
Reaching a fever pitch and it's bringing me out the dark

Finally I can see you crystal clear
Go 'head and sell me out and I'll lay your ship bare

See how I leave with every piece of you
Don't underestimate the things that I will do

There's a fire starting in my heart
Reaching a fever pitch and its bringing me out the dark

***The scars of your love remind me of us
They keep me thinking that we almost had it all***

***The scars of your love they leave me breathless,
I can't help feeling***

We could have had it all Rolling in the deep

**You had my heart inside of your hand
And you played it to the beat**

Baby I have no story to be told
But I've heard one on you and I'm gonna make your
head burn
Think of me in the depths of your despair
Making a home down there 'cause mine sure won't be
shared

The scars of your love remind me of us
They keep me thinking that we almost had it all
The scars of your love they leave me breathless, I
can't help feeling

We could have had it all

Dreams (14)

Now here you go again, you say.
You want your freedom
Well who am I to keep you down
It's only right that you should
Play the way you feel it

But listen carefully ly to the sound
Of your loneliness
Like a heartbeat drives you mad
In the stillness of remembering what you had
And what you lost, and what you had, and what you lost

Thunder only happens when it's raining

Players only love you when they're playing

**Say women they will come and they will go
When the rain washes you clean, you'll know, you'll know
Instrumental**

Now here I go again I see, the crystal visions
I keep my visions to myself
it's only me Who wants to wrap around your dreams and,

Have you any dreams you'd like to sell?
Dreams of loneliness- Like a heartbeat, drives you mad
In the stillness of remembering, what you had,
And what you lost and what you had and what you lost
CHORUS

Along the Watchtower (18)

There must be some kind of way
out there Said the joker to the thief
There's too much
confusion I can't get no
relief

Business men, they drink my
wine Plowman dig my earth
None were level on the mind
Nobody up at his word
Hey, hey

No reason to get
excited The thief he
kindly spoke

There are many here among
us Who feel that life is but a
joke

But, uh, but you and I, we've been through
that And this is not our fate
So let us stop talkin' falsely
now The hour's getting late,
hey

**All along the watchtower Princes kept the view
While all the women came and went Barefoot servants, too
Outside in the cold distance A wildcat did growl
Two riders were approaching And the wind began to howl**

Feelin' Alright? (21)

Seems I got to have a change of scene
'Cause every night I have the strangest
dreams Imprisoned by the way it could
have been
LeW here on my own or so it seems
I got to leave before I start to scream
But someone's locked the door and took the key

You feelin' alright? I'm not feelin' too good myself
Well, you feelin' alright? I'm not feelin' too good myself

Boy you sure took me for one big
ride Even now I sit and wonder
why
And when I think of you I start myself to cry
out I just can't waste my +me, I must keep
dry GoTa stop believin' in all your lies
'Cause there's too much to do before I die, hey

CHORUS

Don't get too lost in all I say
Though at the +me I really felt that way
But that was then, and now you know it's
today I can't get off, I guess I'm here to stay
'Til someone comes along and takes my place, yeah
With a different name, oh, and a different face - **CHORUS**

One man come he to

In the name of love
What more in the name of
love? In the name of love
What more in the name of love?

One man caught on a barbed wire

One man washed up on an empty
beach One man betrayed with a kiss

These city walls - Only to be with you

Rivers of Babylon

By the rivers of Babylon, there we sat down

By the rivers of Babylon, there we sat down
Yeah, we wept, when we remembered Zion

There the wicked
Carried us away in captivity
Required from us a song
Now how shall we sing the Lord's song in a strange land?

There the wicked
Carried us away in captivity
Requiring of us a song
Now how shall we sing the Lord's song in a strange land?

Yeah, yeah, yeah, yeah, yeah
Let the words of our mouth and the meditation of our heart
Be acceptable in thy sight here tonight

Let the words of our mouth and the meditation of our hearts
Be acceptable in thy sight here tonight

By the rivers of Babylon.....,

All of Me

What would I do without your smart mouth?
Drawing me in, and you kicking me out
You got my head spinning, no kidding, I can't pin you down
What's going on in that beautiful mind?

I'm on your magical mystery ride
And I'm so dizzy, don't know what hit me, but I'll be alright
My head's underwater but I'm breathing fine
You're crazy and I'm out of my mind

'Cause all of me
Loves all of you
Love your curves and all your edges
All your perfect imperfections

Give your all to me
I'll give my all to you
You're my end and my beginning
Even when I lose I'm winning

'Cause I give you all of me
And you give me all of you, oh

How many times do I have to tell you?
Even when you're crying you're beautiful, too
The world is beating you down, I'm around through every
mood

You're my downfall, you're my muse
My worst distraction, my rhythm and blues
I can't stop singing, it's ringing in my head for you

My head's underwater but I'm breathing fine

You're crazy and I'm out of my mind

'Cause all of me
Loves all of you
Love your curves and all your edges
All your perfect imperfections

Give your all to me
I'll give my all to you...
You're my end and my beginning
Even when I lose I'm winning

'Cause I give you all of me
And you give me all of you
Give me all of you, oh

Cards on the table
We're both showing hearts
Risking it all
Though it's hard

'Cause all of me
Loves all of you
Love your curves and all your edges
All your perfect imperfections

Give your all to me
I'll give my all to you
You're my end and my beginning
Even when I lose I'm winning

'Cause I give you all of me
And you give me all of you

I give you all of me
And you give me all of you, oh

Sailing

I am sailing
I am sailing
Home again
'Cross the sea
I am sailing
Stormy waters
To be near you
To be free

I am flying

I am flying
Passing high clouds
To be near you
To be free

Can you hear me? Can you hear me?
Through the dark night, far away
I am dying, forever crying
To be with you, who can say

We are sailing, we are sailing
Home again
'Cross the sea
We are sailing
Stormy waters
To be near you
To be free
Oh, Lord, to be near you, to be free
Oh, my Lord, to be near you, to be free
Oh, my Lord, to be near you, to be free

How To Save A Life

[Intro] (Capo 3rd)

G D/Eb Em7

[Verse 1]

Step one, you say we need to
talk, he walks.

You say sit down it's just a talk.
He smiles politely back at you.

You stare politely right on through.
Some sort of window to your right.

As he goes left and you stay right.
Between the lines of fear and blame,
You begin to wonder why you came.

Page 1/5

[Chorus]

Cadd9 D Em7

Where did I go wrong, I lost a friend

G D

Somewhere along in the bitterness.

Cadd9 D

And I would have stayed up with you all
night

Em7 G D G

Had I known how to save a life.

[Verse 2]

Let him know that you know best,
'Cause after all you do know best.
Try to slip past his defense,
Without granting innocence.
Lay down a list of what is wrong,
Things you told him all along.
Pray to God he hears you,
And pray to God he hears you.

[Chorus]

Where did I go wrong, I lost a friend
Somewhere along in the bitterness.
And I would have stayed up with you all
night
Had I known how to save a life.

[Verse 3]

As he begins to raise his
voice,
You lower yours and grant him one last
choice.
Drive until you lose the road,
Or break with the ones you've followed.
He will do one of two things,
He will admit to everything,
Or he'll say he's just not the same.
And you'll begin to wonder why you came.

Chorus x 2

Halo

D, Em, Bm G

[Verse 1]

Remember those walls I built?
Well, baby they're tumbling down
And they didn't-even put up a fight
They didn't even make a sound

I found a way to let you in
But, I never really had a doubt
Standing in the light of your halo
I got my angel now

[Pre-Chorus] Higher
It's like I've been awakened
Every rule I had you breakin'
It's the risk that I'm taking

[Chorus]

I ain't never gonna shut you out!

Everywhere I'm looking now
I'm surrounded by your embrace
Baby, I can see your halo
You know you're my saving grace
You're everything I need and more
It's written all over your face
Baby, I can feel your halo
Pray it won't fade away
halo, halo, halo

[Verse 2]

Hit me like a ray of sun
Burning through my darkest night
You're the only one that I want
Think I'm addicted to your light

I swore I'd never fall again
But this don't even feel like falling
Gravity can't forget to pull me back to the
ground again

[Pre-Chorus]

It's like I've been awakened
Every rule I had you breakin'
It's the risk that I'm taking

[Chorus]

I ain't never gonna shut you out!
Everywhere I'm looking now
I'm surrounded by your embrace
Baby, I can see your halo
You know you're my saving grace

You're everything I need and more
It's written all over your face
Baby, I can feel your halo

CHORUS X 2

Say My Name

Am, F. Dm, G. G/G#.

[Chorus]

Say my name, say my name
if no one is around you
say baby I love you if
you ain't runnin' games

Say my name, say my name
you actin kinda shady
ain't callin' me baby, why
the sudden change?
Say my name, say my name

if no one is around you
say baby I love you
if you ain't runnin' game
Say my name, say my name

you actin kinda shady
And callin' me baby

[Verse]

Any other day I would call
you would say
"Baby how's your day?"
but today it ain't the same

every other word is
Uh Huh, Yea Okay,
could it be that you,
are at the crib with anotha lady?

If you took it there,
first of all let me say
I am not the one
to sit around and be played so

prove your self to me,
or the girl that you claim
why don't you say the thangs
that you said to me yesterday?

[Bridge]

I know you say that I am assuming things
Something's going down thats the way it
seems
Shouldn't be the reason why you're acting
strange
If nobody's holding you back from me
Cause I know how you usually do
When you say everything to me times two
Why can't you just tell the truth?
If somebody's there then tell me who

[Chorus]

[Chorus]

Say my name, say my name
if no one is around you
say baby I love you if
you ain't runnin' games

Say my name, say my name
you actin kinda shady
ain't callin' me baby, why
the sudden change?
Say my name, say my name

if no one is around you
say baby I love you
if you ain't runnin' game
Say my name, say my name

you actin kinda shady
And callin' me baby

[Verse]

What is up with this?
Tell the truth, who you with?
How would you like it if
I came over with my clique
Don't try to change it now
Sayin' you gotta bounce
When two seconds ago

you said you just got in the house.
It's hard to believe that you,
are at home, by yourself
when I just heard the voice
heard the voice of someone else.

Just this question
Why do you feel you gotta lie?
Gettin caught up in your game
when you can not say my name

[Bridge]

I know you say that I am assuming things
Something's going down thats the way it
seems
Shouldn't be the reason why you're acting
strange
If nobody's holding you back from me
Cause I know how you usually do
When you say everything to me times two
Why can't you just tell the truth?
If somebody's there then tell me who

[Chorus]

Say my name, say my name
if no one is around you
say baby I love you
if you ain't runnin' games

Say my name, say my name
you actin kinda shady
And callin' me baby
why the sudden change?
Say my name, say my name

if no one is around you
say baby I love you
if you ain't runnin' game
Say my name, say my name

Viva La Vida

I used to rule the world
Seas would rise when I gave the word
Now in the morning I sleep alone
Sweep the streets I used to own

I used to roll the dice
Feel the fear in my enemy's eyes
Listen as the **crowd** would sing
"Now the old king is dead! Long live the king!"
One minute I held the key
Next the walls were closed on me
And I discovered that my **castles** stand
Upon pillars of salt and pillars of sand

**I hear Jerusalem bells a ringing
Roman Cavalry choirs are singing
Be my mirror, my sword and shield
My missionaries in a foreign field
For some reason I can't explain
Once you go there was never
Never an honest word
And that was when I ruled the world**

1 - It was the wicked and **wild** wind
Blew down the **doors** to let me in
Shattered windows and the **sound** of drums
People couldn't believe what I'd become

Revolution**aries** wait
For my head on a silver plate
Just a puppet on a **lonely** string
Oh **who** would ever want to be king?

**I hear Jerusalem bells a ringing
Roman Cavalry choirs are singing
Be my mirror, my sword and shield
My missionaries in a foreign field
For some reason I can't explain
I know Saint Peter won't call my name
Never an honest word
But that was when I ruled the world**

Dead or Alive

It's all the same, only the names will change
Every day, it seems we're wastin' away
Another place where the faces are so cold
I'd drive all night just to get back home

I'm a cowboy
On a steel horse I ride
I'm wanted dead or alive
Wanted dead or alive

Sometimes I sleep, sometimes it's not for days
The people I meet always go their separate ways
Sometimes you tell the day by the bottle that you drink
And times when you're alone, well, all you do is think

**I'm a cowboy
On a steel horse I ride
I'm wanted (wanted), dead or alive
Wanted (wanted), dead or alive
Oh, and I ride
Yeah
Oh, I'm a cowboy
On a steel horse I ride
I'm wanted (wanted), dead or alive**

And I walk these streets, a loaded six-string on my back
I play for keeps 'cause I might not make it back
I've been everywhere, still I'm standing tall
I've seen a million faces and I've rocked them all

Chorus

Fresh Eyes

I got these fresh eyes, never seen you before like this
My God, you're beautiful
It's like the first time when we open the door
Before we got used to usual

It might seem superficial, stereotypical, man
You dress up just a little and I'm like, "Ohhh, damn"

So suddenly I'm in love with a stranger
I can't believe she's mine
Now all I see is you with fresh eyes, fresh eyes
So suddenly I'm in love with a stranger
I can't believe she's mine, yeah
And now all I see is you with fresh eyes, fresh eyes

Appreciation, well, it comes and it goes
But I, I'll ride that wave with you
It's human nature to miss what's under your nose
'Til you, 'til you remind a fool

Maybe all of this is simple
My heart's unconditional, yeah
You dress up just a little and I'm like, "Ohhh, damn"

Chorus

If I could bottle this up, bottle, bottle this up, I would
I would bottle this up, bottle, bottle this up, I would
Cause you're gorgeous in this moment
If I could bottle this up, I would

Chorus
